AG1-25: Natural BioMade C-HS Hemp Ester Oil

Ingredient	INCI	Supplier	W/W%
BioMade C-HS	Capryl Cannabis Seedate	Alzo International	50
Dermol M-5	Caprylic/Capric Triglyceride	Alzo International	34.5
Beantree	Methylheptyl Isostearate	Alzo International	15
Vitamin E	Tocopherol	DSM (Univar)	0.5
Total			100.0

Manufacturing Procedure:

1) In a beaker combine oils and mix until clear & homogenous.

Alzo Ingredient Benefits:

Beantree – Ecocert / Cosmos 100% Natural ester derived from castor and rapeseed. It is a light, dry ester that is a good alternative to volatile silicones

BioMade C-HS – very light & dry naturally-derived hemp ester with improved color vs. pure hemp seed oil

Dermol M-5 – cost-effective and non-greasy triglyceride with great spreadability
