**LF2-040: Natural Lip Balm**

Ingredient	INCI	Supplier	W/W%
Candelilla SP75	Candelilla Cera	Strahl and Pitsch	5.2
Carnauba	Copernicia cerifera	Strahl and Pitsch	3.2
Dermowax BB	Behenyl Behenate	Alzo International	5.2
Trivent Mango Butter	Mangifera Indica (Mango) Seed Butter	Alzo International	10.4
Dermol MBDD	Mango Butter Dimer Dilinoleyl Esters/Dimer Dilinoeolate Copolymer	Alzo International	10.4
Dermol TISC	Triisostearyl Citrate	Alzo International	20.8
Beantree	Methylheptyl Isostearate	Alzo International	10.4
Bernel Ester TCC	Tricaprylyl Citrate	Alzo International	20.8
Dermol DISM	Diisostearyl Malate	Alzo International	8.4
Dermol DGDIS	Polyglyceryl-2 Diisostearate	Alzo International	5.2
<b>Total</b>			<b>100.0</b>

**Manufacturing Procedure:**

- 1) Melt waxes and esters to 85 deg. C. with mixing.
- 2) Add colorants if required
- 3) Mix until uniform and pour into mold
- 4) Chill until firm

**Alzo Ingredient Benefits:**

**Beantree** – Ecocert / Cosmos 100% Natural ester derived from castor and rapeseed. It is a light, dry ester that is a good alternative to D5.

**Dermol MBDD** – naturally-derived polymer from mango butter & rapeseed oil; high shine and great for retaining moisture

**Dermowax BB** – waxy ester that adds body/payoff to the formula and provides substantivity to skin and hair. MP: 70° C

**Trivent Mango Butter** – natural ECOCERT butter that melts at body temperature. Skin & lip-softening alternative to shea or cocoa butters
